**WESTERN COMMUNITY ACTION (WCA)** is gearing up for our 6th year of Free Tax Preparation Services! We assisted people in getting back over \$1 million dollars in refunds between our Marshall and Jackson sites last year alone! *We are going to be starting a new initiative called "Free Assisted Self-preparation."* Through this program adults with the most simple tax returns will have the opportunity to learn how to prepare their own taxes with the assistance of a volunteer. In addition, WCA is planning to launch its first-ever mobile tax preparation unit. *Also, remember there are income guidelines for participating. If you volunteer at the tax clinic you are eligible to receive free tax preparation regardless of your income!*

The office in Jackson will open on February 2 and both the Marshall and Jackson offices will close April 14.

Appointments will need to be made through the

Marshall office.

**THE 7<sup>TH</sup> ANNUAL CHILI COOK-OFF** will be held on Sunday, February 19, 11 AM to 1 PM in the Immanuel Activity Center. At this time we are looking for Chili Chefs. We also welcome taste testers to join us that day to help us judge the most outstanding chili. (Another soup will also be served that day for the non-chili conansious.) A freewill offering will be taken.

*As this is a community event, we are also looking for help in providing food and/or working during the event. Please check the sign-up sheet in the Narthex. Your support is appreciated.*

**"ALL STAR" — PARENTS VS. STUDENT BASKETBALL GAME** will be held on Friday, February 17 beginning at 5:30 PM. A break for a light supper at 6 PM with the rest of the games to following. Come and cheer on your favorite team or put on those tennis shoes and play. We will supply the Ben Gaya.

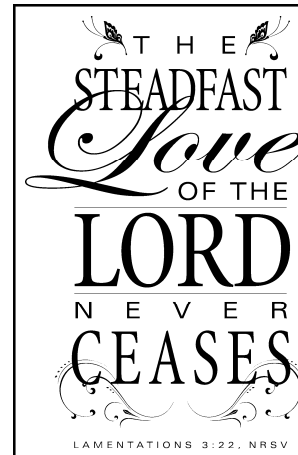

**A PIZZA PARTY** is being planned for Friday, February 10 for those students who met their reading goal and the adults who took part. Check here next Sunday to see how many pages were read by the adults and the students.
