### **Secretary's Report**

- November 2025 minutes reviewed; approved as written. Motion to approve by Aaron Mattila.

### **Treasurer's Report**

- Treasurer's report reviewed; **current balance:** \$5,783.42; approved as written. Motion to approve by Melissa Ackerman.
  - Wall mats have been purchased - Shipping costs will be additional. Still waiting on the bill for the Gaga pit.
  - Shopping night - 18 vendors brought in \$800. Silent auction had 71 baskets bringing in \$4,153.50. There was one additional donation for \$10,000 which is specifically for curriculum, so that is not reflected in the amount collected.

### **Old Business**

- **Festival of Trees (Jackson Historical Society):** Leann Henning volunteered to decorate a tree with the theme "Make a Joyful Noise". SEE BELOW.
- **ILS Basketball Tournament (last week in Jan):** Lea Heinrichs and Kim Church will organize (Kim's final year). Due to limited volunteers last year, all families will be required to work a shift. Thrivent Action Team grant cards are welcome. SEE BELOW.
- **Shopping Night:** Most of the night went well and became slow after 6:00. It was the same night as the WOW weekend in Okoboji. If we change the date to not align with WOW weekend, **Mr. J would like to know right away so that Friday can be indicated on the school calendar for next year to have that day be a "no school" day.** The overall agreement was to continue this event next year.
  - Additional benefits of this night are the chili feed, the book fair, etc.
  - 2 silent auction baskets did not get claimed (air fryer and a crayola basket). We will move on with reaching out to the next person on the list to claim.
- **Caroling -** There was a nice turn out. It brought happiness to others. Afterwards there was fellowship at the school.

### **New Business**

- **Festival of Trees (Jackson Historical Society):** Leann Henning volunteered to decorate a tree with the theme "Make a Joyful Noise".
  - Set up went well. There were 100+ items on the tree. We didn't win but the tree was well received.

- **Candy Fundraiser:** Lea Heinrichs shared an opportunity through The Largest Candy Store (fall candy giveaway).
  - 5 large totes and 2 big boxes of candy were given to her. Mr. J and Sarah thought some of this can be used and sold in concessions as well as the basketball tournament (perhaps a free throw contest and winners get candy). Some of it can be used at school for incentives too.
- **ILS Basketball Tournament (last weekend in Jan):** Lea Heinrichs and Kim Church will organize (Kim's final year). Due to limited volunteers last year, **all families will be required to work a shift.** Thrivent Action Team grant cards are welcome.
  - The sign up went out again today (Jan 8). There are still many volunteers needed.
  - Donations should be brought in on Friday of the tournament, from noon on (after school lunch). Another reminder will be sent out again with logistic information.
