

PTL Minutes for Thursday, September 8th, 2022

The September 8th PTL meeting was called to order by President Melissa Ackermann after the first official potluck

Old Business:

**Swimming party** was a success!

New Business:

**Camp Okoboji** will be two nights this year for the 3rd & 4th graders. Proposed that the PTL pays \$50, and parents will still pay \$30 as was done last year. MSC

**Color Run** on Sept. 23 will run the same as last year.

**Shopping night** is coming up again. This year it will be on Friday, Nov. 4th. Sarah Laabs is going to send letters to any out of town potential donors. Send any ideas for family “fun” places to Sarah Laabs or Melissa Ackermann. The 7th & 8th will run the concession stand that evening. For what purpose do we want to use the money from this fundraiser? MSC to designate the monies for AC in parts of the school.

Discussion to raise the price of rent for vendors from \$40-\$45. MSC

Principal's Report:

List of blessings!
